Professional Summary

Vancouver-based illustrator, designer, and artist. Working primarily in digital illustration with two years of experience in gallery-based and editorial work. Informed by lived experience as a trans artist, and committed to furthering leadership skills in equitable arts education through volunteering and artist-run spaces.

Work featured by SAD Magazine, the Association of Registered Graphic Designers, the World Illustration Awards, the Beaumont Studios, Slice of Life Gallery, and the Centre for International Contemporary Art.

Core Skills

Digital Illustration • Packaging Design • Strategy and Positioning • Visual Branding • Art Direction • Project Management

Experience

Illustrator and Designer | Freelance

Vancouver, B.C | March 2024 – Present

- Manages client-based projects end-to-end, translating briefs into clear creative direction while balancing concept development, timelines, and stakeholder communication.
- Uses storytelling and brand narrative as essential and strategic tools to develop and maintain strong, conceptually-driven visual identities.

Practicum Designer | Best Studio

Vancouver, B.C | February 2025 – April 2025

- Layout, wayfinding, stationery, and packaging design across the real estate, food and beverage, and non-profit sectors.
- Illustration for merchandise, packaging, and brand identities in print and digital spaces.
- Proficiency in creating and finalizing print- and production-ready files, pitch decks, and presentations for client and internal use.

Education

Capilano University | IDEA School of Design

Bachelor of Design in Visual Communication

North Vancouver, B.C | September 2021 – June 2025
